Returns Policy

Version 1, effective January 1, 2026.

Return window

You can return most items within 30 days of delivery for a full refund. Items must be unused and in their original packaging, with all parts and manuals included.

Items we can't take back

Fuel canisters and used water filters cannot be returned for safety and hygiene reasons. Gift cards cannot be returned.

Defective items

If an item arrives damaged or stops working because of a manufacturing defect, see our Warranty Policy instead. Defective items are handled as warranty claims, not returns.

How to start a return

Sign in to your account, open **Orders**, choose the order and select **Start a return**. We email you a prepaid return label within one business day.

Return shipping

Return shipping is free for defective items. For all other returns, a $7.95 return shipping fee is deducted from your refund.

Refunds

Refunds are issued to the original payment method within 5–7 business days after we receive and inspect the item. You will get an email when the refund is issued.

Exchanges

We don't offer direct exchanges. Return the item for a refund and place a new order for the item you want.
